ancient worlds jaguar's fate

No volume slider.. pretty good game. I tried this on a whim. The game isn't worth the money. No challenge, or depth. I've seen better games made as a high school project. It is bugged on the 8th map.. I was hyped when is saw this on greenlight, it seemed great. ive played it for 13 minutes now and ive beaten 7 levels.. pretty good game. I tried this on a whim.
